Dear Mr. Valdes-Diaz and Alumni Members,

On behalf of the students of the La Salle Education Center in Homestead, FL, please accept our heartfelt gratitude for the financial donation of **\$3,000.00** that you bestowed upon our center. Our students are our future and I believe that every opportunity is a blessing. All our students in need will benefit from 6 months of rent that the Alumni so generously donated. Community partners are indeed an important part of the success of our youth and your support is greatly appreciated. Paying for the rent in advance is something that the center has never been able to do in many years. This will make a great difference in the lives of the children. We hope to continue to grow in the LaSallian spirit encouraged by your generosity has a sign of hope. Thank you for your continued support in the lives of our youth. We will keep the De La Salle Alumni and the board of directors in our prayers. "God has chosen you to do His work" SJB De La Salle

Sincerely,
